

befree whitelime

descaling, cleaning, sanitising

Manufactured by:
A&B Laboratorios de Biotecnología
P. I. de Júndiz - C/Paduleta, esq. c/Júndiz
01015 Vitoria-Gasteiz (Spain)
T: +34 945 291 616 - www.ab-laboratorios.com

WHAT IS IT FOR?

- TRIPLE ACTION (cleans, sanitises and descales) DOES NOT ATTACK THE SURFACES, even the most delicate (tiles, metals, etc.)
- CLEANS, HYGIENISES AND REMOVES even the most persistent LIME, leaving the surfaces shiny.
- PREVENTS the subsequent appearance of limescale encrustations due to its protective and water-repellent effect.
- Ideal for ENVIRONMENTALLY FRIENDLY cleaning and RESPECTING HEALTH.

WHERE AND HOW IS IT USED?

- Spray the product, let it act for a few seconds and remove with a damp cloth. Rinsing is not necessary.
- BATHROOM AND KITCHEN: toilets, faucets, chromium plating, tiles, glass, tubs, shower cubicles, etc.
- COASTAL AREAS: eliminates salt residues, limestone and traces of rust, apply on balustrades and windows, tiles, floor tiles, urban furniture.
- SUITABLE FOR BOATS: cleans and leaves a shine on surfaces without damaging materials, resins and paints.
- COPPER SURFACES: returns copper to its original shine by removing rust.

BENEFITS

CONVENIENT AND EFFECTIVE

- **A single 3-in-1 product** (cleaning, sanitising, descaling) suitable for all surfaces: replaces specific aggressive products and minimizes packaging and waste.
- **Less product** for equal or superior efficacy.
- **Quick action.**

ENVIRONMENTALLY FRIENDLY

- **ECODESIGN** certification: with equal or greater effectiveness, product with low environmental impact, manufactured with safe raw materials for the environment.
- **ECOLABEL** certification: ES-EU/020/00001
- **Does not contain phosphates.**
- **Biodegradable.**

360° SAFETY

- **Exempt from hazardous labelling:** not hazardous for health and the environment.
- Suitable for **all types of materials and surfaces**, even the most delicate.
- Specific formula without hydrochloric acid. **Does not emit irritating vapours.**
- **Non-corrosive, non-flammable, non-toxic.**

OUR ADVICE

- A small amount of product is needed to obtain excellent and long-lasting results.
- A regular use prevents reappearance of limescale deposits, protecting materials.

**A SINGLE 3-IN-1 PRODUCT
SUITABLE FOR ALL SURFACES**

All the ingredients, and in particular the surfactants, aromas and fragrances if present, have been carefully selected to ensure maximum product efficacy with the minimum impact on the environment and on human health according to what established by the international standards of Ecolabel and Ecodesign
